

**ADOPTED** into God's family on June 16, 2023  
and soon to be adopted by his **EVERY CHILD**  
foster care family!

Through your Offering gift, **167,619 LIVES** were impacted in 2022. In the past five years, **661 DECISIONS FOR CHRIST** were proclaimed!

Everyday through the Baptist Children's Homes (BCH) ministry, Christian men and women, like John and Erin Stuebe, answer God's call to care for children like Tirrell. The couple, who became foster parents through the **EVERY CHILD** partnership between BCH and NC Baptists, welcomed the NC foster child into their home. The boy was severely malnourished, unschooled and kept isolated in his childhood home. Your **Annual Offering** gift made it possible for Erin and John to be trained as BCH foster parents and give Tirrell the caring family he deserves. Through the discipleship of the couple and their church, Tirrell accepted Christ. **When you give to the Offering, lives of children, families and individuals throughout NC, SC and Guatemala are forever changed!**
